Dear Prospective Applicant

Welcome to the Joseph Rowntree School. Please read the information about the school contained in this letter prior to completing your application.

General Information

We are a successful 11-18 comprehensive school of 1210 students, with 204 students in the sixth form. Our modern buildings and state of the art facilities provide an excellent learning environment and our talented and dedicated team of staff are wholly committed to the school and its students. We offer a broad curriculum which enables students to develop knowledge and skills that lead to important qualifications and the nurturing of talents.

Our extensive range of extra-curricular activities develops skills, interests, relationships and an enjoyment of school life. We are a school community where students are happy, safe and develop into well-rounded individuals. Integral to our focus on achievement and creativity, is a strong guidance and pastoral care system; this ensures that students are valued and supported well.

In October 2022, the school was judged to be 'Good' by Ofsted. We were pleased that Ofsted reported so positively on many aspects of the work we do with our students, particularly how well they are supported in school, the ambitious curriculum they access and how they feel safe and happy here. We are proud of our successes but are ambitious for the future. We continue to strive to develop the very best education for our students

Origins

The original school opened in 1942 as a model school in the North Riding. It was built on land provided by the Joseph Rowntree Trust. It continues to have voluntary controlled status with four governors from the Joseph Rowntree Foundation. It is, however, a non-denominational LA school. Since its illustrious origins the school has expanded considerably in phases to meet the demands of a changing educational scene and increased population.

Grounds and Buildings

The school is set in very extensive attractive grounds and playing fields. We have an excellent learning environment and superb facilities.

The Educational Context

The school is part of the City of York Councils education provision. York is a unitary authority, characterised by forward-looking leadership and a desire to work in partnership with its schools and parents/carers. The school shares this aim. There is a close network of effective working relationships in this relatively small LA. The school also has close links with its six main link primary schools.

Our Students

Our students are in line with national averages for ability on entry. Approximately 23% of students are disadvantaged and there are 203 on the SEN register (EHCP and K), 66 of whom have an Education & Health Care Plan. Equally, there are students with talents and ability to rank with the best in the country. The intake is largely from the villages of New Earswick, Haxby and Wigginton, with increasing numbers from within the historic city boundary. Our students are friendly, confident, articulate, hardworking and well-motivated. Our strong pastoral and behavioural systems help meet their needs and ensure that they fulfil their potential.

Our Staff

The school is lucky in having a forward thinking and reflective teaching and support staff. There is a wide range of experience and expertise. We are friendly, welcoming and helpful. We set a high priority on professional development and job satisfaction. Our staff work hard and there is a genuine commitment to provide high quality education for all of our learners. Working at The Joseph Rowntree School is rewarding and there is a strong induction programme for new staff. Developing best practice is a real focus at the school.

Organisation

The school's academic structure is based on departments. Guidance and welfare is based on a Year Group system. There is a great emphasis placed on teamwork and collaborative working at all levels. Leaders are expected to provide leadership, support and challenge to their teams. The Governing Body provide excellent support whilst challenging us effectively. The Senior Leadership Team consists of the Head, two Deputy Heads, three Assistant Heads and a School Business Manager. We have high standards and expect colleagues to meet these, regardless of which role they play in school.

Curriculum

The full range of subjects typical of comprehensive schools is available in the school. Currently there are around 30 different AS/A2 subjects available in the Sixth Form with a small degree of collaborative arrangements with the neighbouring Huntington School. Extra-curricular provision is wide ranging, with particularly high engagement in Sport, Drama and Music. We continue to value all subjects equally, notwithstanding a particular focus on English and Maths. We take pride in ensuring our curriculum offer at all stages meets the needs of all students. Since 2010 we have had an enhanced resource provision for students on the Autistic spectrum, one of only two units in the City; our philosophy is to allow such students to access as much of the whole-school curriculum as possible, in order to match their needs.

In Conclusion

The Joseph Rowntree School is a hard-working school community with a high level of cohesion and mutual support. We have high expectations of our students, both in terms of their behaviour and their studies. Our students are treated with respect and care and are expected to treat their staff the same in return. Relationships are good.

We always seek to appoint highly skilled and reflective members of staff. You will need to be enthusiastic, hardworking and committed to delivering high standards in your role. You should like and understand children and be prepared to go the extra mile to help them succeed.
